

## **Get 2-Months FREE\* Broadband Service**

The COVID-19 pandemic along with the derecho storm has changed daily life for everyone. What hasn't changed is Minburn Communications ongoing commitment to keeping customers connected to a reliable service while other providers are struggling to restore services.

Don't be left waiting. Activate your Minburn Communications connection today.

If you are located in Minburn or Woodward, Minburn Communications can quickly connect you to our fiber network. You can experience a reliable broadband internet with unlimited, symmetrical speeds, clear, stable voice connections and feature-rich video entertainment tv service.

- Get two months FREE broadband services with a 24 month contract
- Only applies to broadband services of speeds 25Mbps and higher
- The first month and the 24th month will be discounted
- Available only to a new Minburn Communications residential or business broadband internet subscriber along our existing fiber routes in Minburn or Woodward
- Does not apply to customers utilizing the Lifeline or Pandemic Plan programs
- Existing broadband customers to not qualify; ask us about our FREE upgrade offer
- Additional terms may apply
