Minburn Communications' Fixed Wireless Internet offers a World-Class broadband connection that you can rely on. If you can see our tower, we can deliver.

A strong signal, reliable connection and unlimited usage means you enjoy faster speeds, more download capabilities, less buffering and an overall higher quality streaming service all from a local, responsive provider.

### Getting Connected is Easy!

Your wireless broadband connection begins with a **FREE** site survey by our expert technicians. Our knowledgeable team will visit your location, help you select the right package, secure a one-year contract, explain the installation process and recommend the best place to connect your Fixed Wireless access point.

One-Time Set Up and Installation.....	\$180.00**
Equipment.....	\$ 0.00
<i>(Property of Minburn Communications)</i>	
Trip Charge.....	\$ 40.00

Minburn Communications offers additional services to protect your Internet connection:
