

# TURN YOUR TABLET OR SMARTPHONE INTO A

**With the NEW MyTVs app, you can use your mobile device for this and more:**

- View and search TV program guide
- Control, manage and play all DVR recordings
- Change channels or turn off a TV from anywhere

Download the FREE MyTVs app from the Apple or Android App Store, select the MyTVs icon and follow the prompts to set up your account.

**Visit [www.minburncomm.com](http://www.minburncomm.com) for details.**
