

Integrate your Voice Services with your Video Entertainment TV

Customers who subscribe to Minburn Communications' Caller ID and/or Voicemail services will benefit with the integration of Caller ID Screen Pop, Voice Message Waiting Indicator, Recent Callers List and Voicemail Playback features on your TV.

CALLER ID and MESSAGE WAITING INDICATION

If you are subscribed to Caller ID, it is possible to have your Caller ID information display on the TV as it displays on your regular Caller ID device. Also, it is possible to have voice message waiting indication show on your TV.

Here is an example of
Caller ID on the TV screen:

Caller ID Recent Calls List

Press the **GREEN** button at any time to see your Caller ID Recent Calls List. This handy feature allows you to review a list of phone numbers that have called your wireline phone service. To delete numbers from your recent calls list use the arrow button to highlight the number you want to delete and press the **RED** button on your remote control.
