

## Managed Wi-Fi

### Better Wi-Fi, Made Easy.

Is there room for improvement with your Wi-Fi? With Managed Wi-Fi from Minburn Communications, you don't have to deal with dead zones or worry about the safety of your home network connections.

This monthly service includes an ultimate carrier-class router for expanded Wi-Fi coverage and network protection. You'll be able to enjoy your devices all over, from the basement craft room to the backyard patio to the man cave in the garage.

- 24/7 Remote, 8-5 Monday-Friday onsite support
- Regular system maintenance with firmware updates
- Assistance with connecting devices
- Feel protected and leave the hassle to us

### Managed Wi-Fi Monthly Fees

Managed Wi-Fi Service .....	\$8. 99
Managed Wi-Fi Plus.....	\$4. 99

Add VETV Protection for \$2.00 per month and get support troubleshooting your Minburn Communications Video Entertainment TV equipment.

**VETV Protection** ..... \$2. 00

Terms apply; no contract required. Subscribers without Managed Wi-Fi Service who need assistance with their home devices and Wi-Fi connections may be subject to a Remote Support Fee and/or Trouble Isolation Charge. Contact us for details.
